To: All COF Members and Subscribers
From your COF Board of Directors

Dear Members and Subscribers,

Your founding Board of Directors is very pleased to invite you to our very first AGM and Condominium Symposium in Calgary at AMICA's Aspen Woods on September 15th.

COF Members in good standing are invited to our first AGM where the business meeting of the Society will be conducted at 9:00 am. Please plan to arrive early for registration, which will be open at 8:30.

COF Members and the public are invited to our first annual Condo Symposium which will commence at 10:00. Service Alberta Minister, Brian Malkinson will open the Symposium. Topics will include alternative dispute resolution a Condo Legal Panel and much more.

Members \$10.00, Public \$20.00. You can click on this link to [register now](#).

A portion of our proceeds will go to [Amica's Helping Hands Charity](#). If you have not officially joined COF and paid for your annual membership, ***now*** would be the perfect opportunity.

We believe that COF is at a pivotal point in our short history. Up to this point we have had a soft launch of the Website, our newsletters, your Owners Forum and are active on three social media streams. We have held our own Board development retreat to formulate the growth of COF.

We have held workshops, both Rules Roles and Responsibilities What Every Condo Owner Needs to Know and Rules Roles and Responsibilities What Every Condo Board Member Needs to Know, in Calgary/Cochrane, Edmonton and Lethbridge.

But there is so much more we'd like to see COF become. We cannot grow the organization without you. We are looking forward to your participation at this AGM and Symposium where we will continue our mandate of providing platforms for condo education and facilitating networking amongst Condominium Owners throughout the Province. We hope you will be able to vote in our first elected Board of Directors and discuss the future of the organization.

If you are unable to join us, please take the time to read and return the proxy form attached with the notice of meeting. We hope you might consider joining the Board or one of our committees and playing a more active role in the growth of COF. A nomination form is attached to the notice of meeting.

We hope you'll continue to participate in the Condo Conversation and join us for this exciting event.
